

## Arizona Line Card

	Utility Control systems		Odor Removal Equipment
	Building Monitoring and Control		Wireless Building Controls
	Badger Meter BTU and flow measurement		Exhaust Fan Systems
	FRP Air Handlers		Measurement and control for hoods
	Pressure Independent Flow Control		Air Flow and Pressure Measuring
	Fan Filter Units and Clean Benches		High Efficiency Energy Recovery System
	Humidification and fogging technology		Corrosion Resistant Fan Systems
	Point exhaust and Snorkels		Gas and Refrigerant Monitoring
	Laboratory Airflow Control		Laminar Flow Ceiling Systems
	Gas Flow Measuring		Electronic Filtration
	Air Handlers and Chilled Beams		Aluminium Damper products
