

## New Mexico Line Card

Odor and Smoke  
Removal Equipment

Gas and Utility  
Control systems

FRP Air Handlers

Exhaust Fan Systems  
and Iris Dampers

Pressure Independent  
Flow Control Valves

Water fogging  
technology

Point exhaust and Snorkels

Laboratory and  
Hospital  
pressurization and  
Airflow Control

Exhaust Fan and  
Damper Systems

Air Handlers and  
Chilled Beams

VLS Fan systems  
with variable pitch  
technology

Wireless T'stat, Plug  
Load and Lighting  
Controls

Communication  
Enclosures and  
Equipment

Computer Room Air  
Conditioning – 1 to  
60 tons

Air Flow and Pressure  
Measuring

High Efficiency Energy  
Recovery System

Corrosion Resistant  
Fan Systems

Gas and Refrigerant  
Monitoring

Fluid Flow and BTU  
measurement

Aluminium Damper  
products
